

# I'm Listening

But it's not  
business as usual.  
It's about livin' large.  
And makin' a statement.  
It's style. And raising  
your personal profile.  
Sure, I'm listening —  
But it's on my terms.  
With EarArt® custom fit  
hearing and hearing  
protection products  
from Westone®

# Are You Listening?

So you think cool just left  
the building when you  
started wearing that  
hearing instrument? Think,  
again. You'll reboot your  
whole attitude towards  
hearing instruments and  
earplugs when you check  
out EarArt®. Westone® has  
reinvented the image of the  
earmold. And what an  
extreme makeover! Vivid  
colors. Neons. Geometric  
shapes. Glitter and gold.  
Spots. Polka Dots. And  
more. From elegant styles  
to downright funk, EarArt®  
is the statement you've  
been waiting to make.  
Unique to your life. Unique  
to your needs. Sometimes  
you've just got to cut loose  
— and this is your chance.  
See your hearing healthcare  
professional and ask about  
Westone's® latest EarArt®.  
*You'll want to listen.*
